CALL: 2015 KC: 2015
snesbitt@maitlandchambers.com

OVERVIEW

Simon Nesbitt KC practises exclusively in the field of international arbitration and is regularly appointed as arbitrator in some of the world's largest and most high-profile disputes. He has wide experience of arbitrations under all of the major institutional rules including the ICC, LCIA, SIAC, SCC, HKIAC, Swiss and ICSID rules, as well as *ad hoc* arbitrations, often under the UNCITRAL rules. He has, in particular, dealt with many cases in Africa and involving African parties.

Simon is fluent in French and Italian, and dual-qualified in English law and French law. Before joining Maitland Chambers, he was Global Co-Head of International Arbitration at the worldwide law firm Hogan Lovells. In 2015, Simon was one of only five solicitors to be appointed Queen's Counsel (now King's Counsel), and joined Maitland Chambers the same year. He is a Fellow of the Chartered Institute of Arbitrators.

Experience as Arbitrator

Simon has extensive experience of arbitrations in a wide range of industry sectors, including: energy, oil and gas; projects and construction; mining; pharmaceutical; media and telecommunications; banking and financial services; hotels and hospitality; aviation; and manufacturing and trade.

His work in the energy sector extends to highly technical aspects of upstream operations, including reservoir and seismic interpretation, drilling, completion, pipeline construction, production and shut-off activities, and environmental issues, as well as costs recovery, accounting and cash-calls as between operator and non-operators. He has also dealt with disputes involving electricity and other utility concessions.

Examples of Simon's recent experience as arbitrator in these industry sectors include the following:

ENERGY, OIL & GAS

- Co-arbitrator in a USD 8.4 billion ICC arbitration between a Middle Eastern owner and a Korean contractor, seated in Doha and governed by the laws of Qatar, arising under an agreement for the engineering, procurement and construction of offshore platforms and undersea pipeline facilities for an offshore natural gas field, including claims based upon the civil law concept of decennial liability.
- Co-arbitrator in an **ad hoc** arbitration under the UNCITRAL Rules in London between a US oil company and a BVI company arising under a participation agreement relating to an oil and gas concession in Central Africa and involving claims of improper accounting under the participation agreement.
- Chair in an ICC arbitration seated in London between a Swiss multinational electrical engineering corporation and a Japanese multinational conglomerate, under an SPA relating to the sale of the claimant's power grid automation and integration business, in which it sought *inter alia* orders for the assignment and novation of certain project contracts to the counterparty. The counterparty counterclaimed declarations and indemnities in respect of the claimant's alleged breaches of various warranties under the SPA.
- Co-arbitrator in an arbitration seated in Mauritius under the LCIA-MIAC Rules between the UAE-based owner of electricity generating powerships in various jurisdictions, and a state-owned power company located in Zambia, concerning a claim for USD 115 million under a triparty power purchase agreement.
- Co-arbitrator in an ICC arbitration seated in Geneva of claims between a Taiwanese company and the Swiss subsidiary of a major US oil and gas, power, water and engineering group, arising out of an agreement for the provision of consulting services in relation to nuclear, thermal and hydro power plants, and involving claims of alleged corrupt practices.
- Sole arbitrator in an LCIA arbitration seated in London of claims brought by a national power company under a Power Purchase Agreement against a state-owned entity and the national government, concerning the operation of an electricity power generation plant.

- Chair in an ICC arbitration seated in London of claims for breach of environmental warranties and indemnities under a USD 2.6 billion agreement for the sale of shares representing oil and gas assets in Peru, between a major Chinese energy corporation and a major Brazilian energy corporation.
- Co-arbitrator in an LCIA arbitration in London of claims and counterclaims between a Singaporean company and a UK company relating to an agreement for the conduct of geotechnical surveys and borehole drilling in the construction of an offshore windfarm.
- Co-arbitrator in USD 3 billion **ad hoc** arbitration in Stockholm under the UNCITRAL rules between a sovereign state and a consortium of hydrocarbons companies arising out of a production sharing agreement for a field located in Eastern Europe.
- Co-arbitrator in an **ad hoc** arbitration seated in London under the UNCITRAL rules between a

Panamanian company and two Norwegian oil companies, relating to a claim for royalty payments in connection with an oilfield located in the Republic of Yemen.

- Co-arbitrator in an **ad hoc** arbitration under the UNCITRAL Rules in London between a US oil company and a Cameroonian company arising under a joint operating agreement governed by Texas law for the development and commercialisation of a gas block in Cameroon, involving claims for the payment of a sole risk premium and for breach of joint venture accounting provisions. The proceedings involved several applications for interim measures seeking to restrain a party from dealing with joint venture funds.
 - Co-arbitrator in an LCIA arbitration in London between a major UK commodities trading company and a Spanish energy company specialising in the trading and supply of LNG, arising under a 15-year LNG sale and purchase agreement, in which the claimant sought damages for an alleged failure to deliver minimum monthly contractual quantities.
-

TELECOMMUNICATIONS & MEDIA

- Chair in a USD 32 million LCIA arbitration seated in London between a Mauritanian company and a Chinese company of disputes arising under a contract for the provision of monitoring, field and maintenance and support services to the claimant's mobile telecommunications network, and claims for the cost of replacing services and telecommunications equipment including core, RAN, RNC, BTS and OCS.
 - Chair in an LCIA arbitration between a leading media and entertainment company in Central and Eastern Europe, and a multi-play telecoms and media provider in South-East Europe, arising under an agreement for the purchase of certain media assets in Croatia and Slovenia and involving competition and regulatory issues.
 - Co-arbitrator in an arbitration under the DIFC-LCIA Rules in Dubai between the Swedish and Luxembourg subsidiaries of an international telecommunications and media group, and a UAE state-owned telecommunications group, in a dispute concerning the entitlement to reverse earn-out payments under a share purchase agreement.
-

PROJECTS & CONSTRUCTION

- Co-arbitrator in a USD 2.65 billion ICC arbitration seated in London between Swiss and Russian joint venture partners relating to the construction, development and operation of a major commodities terminal in Russia. This high-value arbitration was on a large scale, involving 77 separate witness statements from 32 different witnesses of fact, 80 separate expert reports from 26 different experts, and culminating in a six-week final hearing and a 1,200 page Award.
